Each exercise starts with a pencil icon and a star on a horizontal line. The 'Under and over' exercise shows a wave-like pattern that goes under and over the line. The 'Up and straight down' exercise shows a vertical line that goes up and then straight down. The 'Up and loop down' exercise shows a vertical line that goes up and then loops back down. The 'Descending loop' exercise shows a vertical line that goes up and then loops back down, crossing below the baseline.
