Start on the star. Do one row a day.

The grid consists of eight rows of handwriting practice. Each row is divided into four columns corresponding to the exercise types: 'Under and over', 'Up and straight down', 'Up and loop down', and 'Descending loop'. Each exercise starts with a pencil icon and a star on a horizontal line. The 'Under and over' column shows a wavy line that goes under and over the line. The 'Up and straight down' column shows a vertical line going up and then straight down. The 'Up and loop down' column shows a vertical line going up, looping to the right, and then going down. The 'Descending loop' column shows a vertical line going down with a loop at the bottom. Each exercise is followed by a dotted version for tracing and a star-dot for independent practice.
