Each exercise starts with a star on a horizontal line and a dot above it. The 'Under and over' exercise shows a cursive wave that goes under the line and over the dot. The 'Up and straight down' exercise shows a vertical line going up to the dot and straight down. The 'Up and loop down' exercise shows a vertical line going up to the dot, looping back down to the line. The 'Descending loop' exercise shows a vertical line going down from the dot, looping back up to the line. Each exercise is repeated across the eight rows.
